open. I know this may be an inconvenience to our parents but, if it is not safe for your child to be on the road, then keep him/her at home.

Parents, it is important that you provide your children with extra clothing. Please leave an extra outfit in their cubbies at all times. This will enable us to have a spare clothing in case of an accident. There have been several occasions when children have no spare clothing in their cubbies.

As a reminder, please dress up your children appropriately for the weather.

Please remember to check in and out your child via the Brightwheel application.

Thank you for your cooperation.
