April Newsletter

Dear Parents:

Welcome to the month of April. First we would like to say Happy Birthday to our children born in the month of April. Spring is finally here and we are encouraging all our parents to dress our children according to the weather.

During the month we will continue to engage our children in activities to enhance their development. Please continue to review their work at home with them.

On April 02, 2026, Thursday our children will celebrate Easter.

Parents, it is important that you provide your children with extra clothing. Please leave an extra outfit in their cubbies at all times. This will enable us to have a spare clothing in case of an accident. There have been several occasions when children have no spare clothing in their cubbies.
